    - Acts that are subject to prosecution under criminal or civil codes of law
- 

## Description

After leaving the Central Library parking garage, Jason Stephens was in the right lane to turn from McKinney Street onto Smith Street when a man began throwing bricks at vehicles. The man threw two bricks at the vehicle preceding Jason Stephens and Jason Stephens shifted into another lane and kept driving. While looking in the rearview mirror, Jason Stephens noticed the man picking up another brick and throwing it at another vehicle. The man is assumed to be homeless and was congregating around the area where the daily feedings take place.

Jason Stephens called 911 and filed a report as he was driving and requested immediate police action. Jason Stephens then called Assistant Director John Middleton at 5:15pm to notify him of the issue and subsequently called HPL Security at 5:17pm to notify the guards on the Library Plaza to help redirect staff that might be walking to catch a bus to keep them from getting attacked or injured. HPL Security contacted Jason Stephens back at 5:24pm to let him know the perpetrator was apprehended and two of the drivers that sustained damage to their vehicles were on site talking to HPD.

Jason Stephens subsequently found out that one of the affected drivers was HPL staff member Chatrice Lange.
